

FAMILY FRIENDLY AT DOLPO KIDS CLUB

At Bluewater Resorts, Kids are our most special guests and the Dolpo Kids Club is there to make sure that their distinct needs are taken cared of. We make their stay as enjoyable and as comfortable as possible.

Our child guests are greeted by our Kids Club Host and are provided with a BeachBag of goodies. It includes sports bottle that can be refilled with complimentary beverages at mealtimes, coloring book and a Dolpo stuffed toy.

Dining with kids are made easier. Ordering meals ahead of time is an option so it will be ready for the young upon arrival at the restaurant or room. Children's Menu are also available through resort food outlets and room service.

At the Kids Club Center, fun and educational activities are scheduled to keep restless minds engaged and excited. One can also join planned beach and outdoor activities.

To cap a long day, cookies, milk and bedtime stories are provided to bring in the sweet dreams.

Being a member of the Kids Club has its perks outside of the resort. Discounts from retail partners and invitations to special events are given.

For parents, safety kits complete with adhesive bandages, electrical outlet covers and a list of local emergency telephone numbers are available.

Kids Club Membership is open to kids 4-12 years old. Applications are available at the Kids Club Center for resort guests or by purchasing the Children's Book, Dolpo: Story of a Dolphin.

Membership is valid for one year and includes a Club ID that can be used for resort and retail partner discounts, as well as invitation to special events.

Who is Dolpo?

Dolpo, the youngest of the legendary seven dolphins, is the best friend of hero Lapu-Lapu. Together, they helped save the island of Mactan from invaders. Their legend and adventures are retold and published in a children's book (Dolpo: Story of a Dolphin) to be launched and introduced to the public in November, 2006.
